

Jigsaw Returns!

SAW 2 set to terrify Xbox 360 and PLAYSTATION®3 users

Sydney, 15 April, 2010: Konami Digital Entertainment GmbH has announced it will release a sequel to its popular SAW title for Xbox 360 and PlayStation®3. SAW 2 will be released later this year, in time for Christmas.

SAW 2 invites players back into Jigsaw's twisted world, and promises all-new stomach-twisting traps and puzzles, more visceral combat, and an all-new storyline that takes place between the second and third movie. As such, players can delve deeper into the horror and mystery of Jigsaw's terrified subjects.

Developed by Zombie Studios, SAW 2 puts players in the shoes of Detective Tapp's estranged son Michael, who is trying to understand his father's death. Through a series of seemingly unconnected events, Michael finds himself facing the man responsible for his Father's demise: Jigsaw. As the game progresses, players will face mind-bending puzzles, as they navigate their way through Jigsaw's terrifying world, and defend themselves against his minions. In order to make it through Jigsaw's games, players must use their intelligence and desire to live in order to survive.

"The original SAW video game gave horror fans and gamers a new outlet to advance their favourite genre, but left them wanting more," commented Martin Schneider, European Marketing & PR Director, Konami Digital Entertainment GmbH. "SAW 2 will give it to them, but be careful for what you wish for! Our successful partnership with Lionsgate allows us to advance the survival horror genre, giving players the most intense look into the SAW universe ever."

SAW 2 will be released for Xbox 360 and PLAYSTATION®3 later this year, in time for Christmas.

ABOUT LIONSGATE

Lionsgate is a leading next generation studio with a strong and diversified presence in the production and distribution of motion pictures, television programming, home entertainment, family entertainment, video-on-demand and digitally delivered content. The Company is leveraging its content leadership and marketing

expertise to create a multiplatform global industry leader in entertainment through the recent acquisition of TV Guide Network, one of the 25 most widely distributed cable networks, the recent acquisition of TV Guide.com, a premier content and navigation portal, partnerships that include the FEARnet branded VOD and Internet horror channel with Sony and Comcast, the expected fall 2009 launch of EPIX, a new premium entertainment channel with partners Viacom and MGM, investment in the leading young men's digital distribution platform Break.com, ownership of the premier independent television syndication company Debmar-Mercury and an alliance with independent filmed entertainment production and distribution company Roadside Attractions.

The Company is a market share leader at the North American theatrical box office for calendar 2009 due to recent theatrical box office successes such as TYLER PERRY'S MADEA GOES TO JAIL, the second highest-grossing film in Lionsgate history, and MY BLOODY VALENTINE 3D. Other recent successes include SAW V, RELIGULOUS, FORBIDDEN KINGDOM, RAMBO and THE BANK JOB. Lionsgate has forged a strong position in television with the production of such critically-acclaimed series as "Mad Men," "Weeds" and "Crash," the distribution of Tyler Perry's "House of Payne," "Family Feud" and "South Park," and upcoming shows including Tyler Perry's "Meet The Browns" and "The Wendy Williams Show." In addition, the Company's home entertainment business, propelled by such recent DVD successes as TRANSPORTER 3, SAW V and TYLER PERRY'S THE FAMILY THAT PREYS, is the industry leader in box office-to-DVD conversion rate and has market share of nearly 7%. Lionsgate handles a prestigious and prolific library of approximately 12,000 motion picture and television titles that is an important source of recurring revenue and serves as the foundation for the growth of the Company's core businesses. The Lionsgate brand remains synonymous with original, daring, quality entertainment in markets around the world.
